(b) if so, the details thereof;

(c) if not, the reasons therefor;

(d) the time by which all the districts of the State are likely to be included in the said system; and

(e) the number of districts proposed to be covered in the country under the system during the year 2003-2004, State-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI BACHI SINGH RAWAT)

(a) No, Sir.

(b) Does not arise.

(c) NRDMS District Database Centers are developed on pilot scale in one or few districts in each state/agro climatic region to demonstrate the applicability of NRDMS methodology in District level planning. The updating effort is to be done by the concerned State government

(d) & (e) During 2003-2004, district database centers are being created in the States where NRDMS centers are not operational.The total number of NRDMS Districts would be 06 (02 in Uttaranchal, 01 in N.E. States and 03 in Karnatka).
